

Brooke's CANTEEN

Hi everyone,

I am so thrilled to be joining the Newbridge Heights Public School community! Brooke's Canteen provides high quality, healthy food that's made with lots of love. My amazing staff and I will be creating eye catching nutritional food that the students will devour! Everyday there will be new, fun and healthy counter items to keep the kiddies interested and enticed in trying new healthy dishes as well as the everyday menu and weekly specials.

I provide EFTPOS facilities, cash payments and online ordering through My School Connect. My School Connect will be available to use first day back of term 1. My School Connect is an online ordering service that has a service fee of 33c per order. Brooke's Canteen does not receive this servicing fee, My School Connect does. If parents do not wish to pay the 33c fee they are more than welcome to use my EFTPOS machine that has no fee and no minimum spending amount.

Please keep an eye out for the weekly specials advertised on the Brooke's Canteen Facebook page as well as the healthy counter item photographs. I cannot wait to meet all the gorgeous kids and parents! I have heard so many awesome things about Newbridge Heights Public School. Please come to the canteen to introduce yourself and grab a free sample of some yummy food. Thank you all so much for having me.

Brooke xxxx
