

ENROLMENT PROCEDURES (K-6)

Enrolment Principles and Guidelines

Students will be enrolled at Newbridge Heights Public School in accordance with the Department of Education enrolment policy, *Enrolment of Students in NSW Government Schools*, effective 22 July 2019 (available at <https://education.nsw.gov.au/policy-library/policies/enrolment-of-students-in-nsw-government-schools?refid=285776>) and the *General Enrolment Procedures* (available at <https://education.nsw.gov.au/policy-library/associated-documents/pd-2002-0006-01.pdf>).

The enrolment of students at Newbridge Heights Public School is consistent with the Department of Education (DoE) Policy, with particular attention paid to the following principles:

Children are entitled to be enrolled at the government school that is designated for the intake area within which the child's home is situated and that the child is eligible to attend.

Children living in the intake area will be enrolled in accordance with the policies of the DoE. The boundary of our intake area is clearly marked on the School Catchment Map from the DoE Demographer (attached). To find out if you are in our catchment area please check the DoE School Finder Enquiry tool (available at <https://education.nsw.gov.au/school-finder/index>).

In the context of the above principles and their application, no person will be discriminated against in the enrolment on the grounds of their gender, age, race, religion, ethnicity, disability, sexual preference or marital status.

Enrolment Processes and Procedures

In-area Enrolment

Students are enrolled at Newbridge Heights Public School in accordance with the guidelines of the NSW Department of Education. A student is entitled to enrol at Newbridge Heights Public School if the child's permanent and principle place of residence is situated within the designated intake area and the child is eligible to attend school.

Enrolment Cap

A current enrolment cap for Newbridge Heights Public has been established at 554 students.

Once this number of enrolments has been reached, in general, children who do not live within the designated intake area will not be enrolled.

Enrolment Buffer

Within the enrolment cap, a buffer will be determined to accommodate in-area students arriving throughout the year. The size of the buffer (currently set up at 14) is based on historical data, enrolment fluctuations and on the number of families moving in and out of the area. Places in the buffer will not be offered to out-of-area children except on compassionate grounds.

Proof of Residency

The school will seek evidence demonstrating that the child's place of residence is within the designated intake area and uses a 100-point residential address check to determine student's entitlement to enrol at the school (as set out on page 9 of the Department of Education's *General Enrolment Procedures* (available at <https://education.nsw.gov.au/policy-library/associated-documents/pd-2002-0006-01.pdf> - See Figure 1.0 below).

Please be aware of the following paragraph on the front page of 'Application to enrol in a NSW government school' which states:

"Giving false or misleading information is a serious offence. In the event that statements made in this application later prove to be false or misleading, any decision made as a result of this application may be reversed".

Applicants are required to be permanently residing in the designated intake area at the time of making an application to the school.

If the child's place of residence changes at any time after your child commences school, the child's parent or guardian must notify the school immediately so that the school records remain accurate.

Non-local enrolment applications

Non-local enrolment applications are only considered by schools that can accommodate the child below the set local enrolment buffer.

Criteria for selecting non-local enrolment applications may include one or more of the following factors. The factors listed are in priority order:

- a sufficient enrolment buffer exists for eligible in-area enrolments and the school is within its enrolment cap
- availability of appropriate staff and permanent accommodation
- siblings of students currently enrolled in the school or preschool.
- compassionate grounds.

The Enrolment Panel reserves the right to consider, and accept, special case applications. The Enrolment Panel has the authority to give priority of criteria for successful special case applications.

Parents should review Section 9.4 “**Non-local enrolment**” located on page 19 of the Department of Education’s *General Enrolment Procedures* (available at <https://education.nsw.gov.au/policy-library/associated-documents/pd-2002-0006-01.pdf>) to ensure they understand the requirements for a Non-local enrolment application.

Criteria

Criteria may include:

- siblings already enrolled at the school
- proximity and access to the school
- medical reasons
- safety and supervision of the student before and after school
- compassionate circumstances
- structure and organization of the school
- recent change in the local intake area boundaries

Special note: there is no guarantee or implied assurance that siblings of students enrolled as a Non-local student will be offered a place at Newbridge Heights Public School in the future.

Enrolment Panel

The Newbridge Heights Public School Enrolment Panel considers and makes decisions on non-local enrolment application. The enrolment panel comprises:

- one executive member of staff
- one staff member (nominated by the Principal)
- one school community member nominated by the school's Parents' and Citizens' Association and if required
- Community Liaison Officer and/or School Administration Officer

The Enrolment Panel is chaired by the executive member of staff. Decisions made by the Enrolment Panel must be made within the criteria for non-local enrolment. The enrolment panel will keep minutes of meetings which are available to the Principal and Director, Educational Leadership on request.

Waiting List

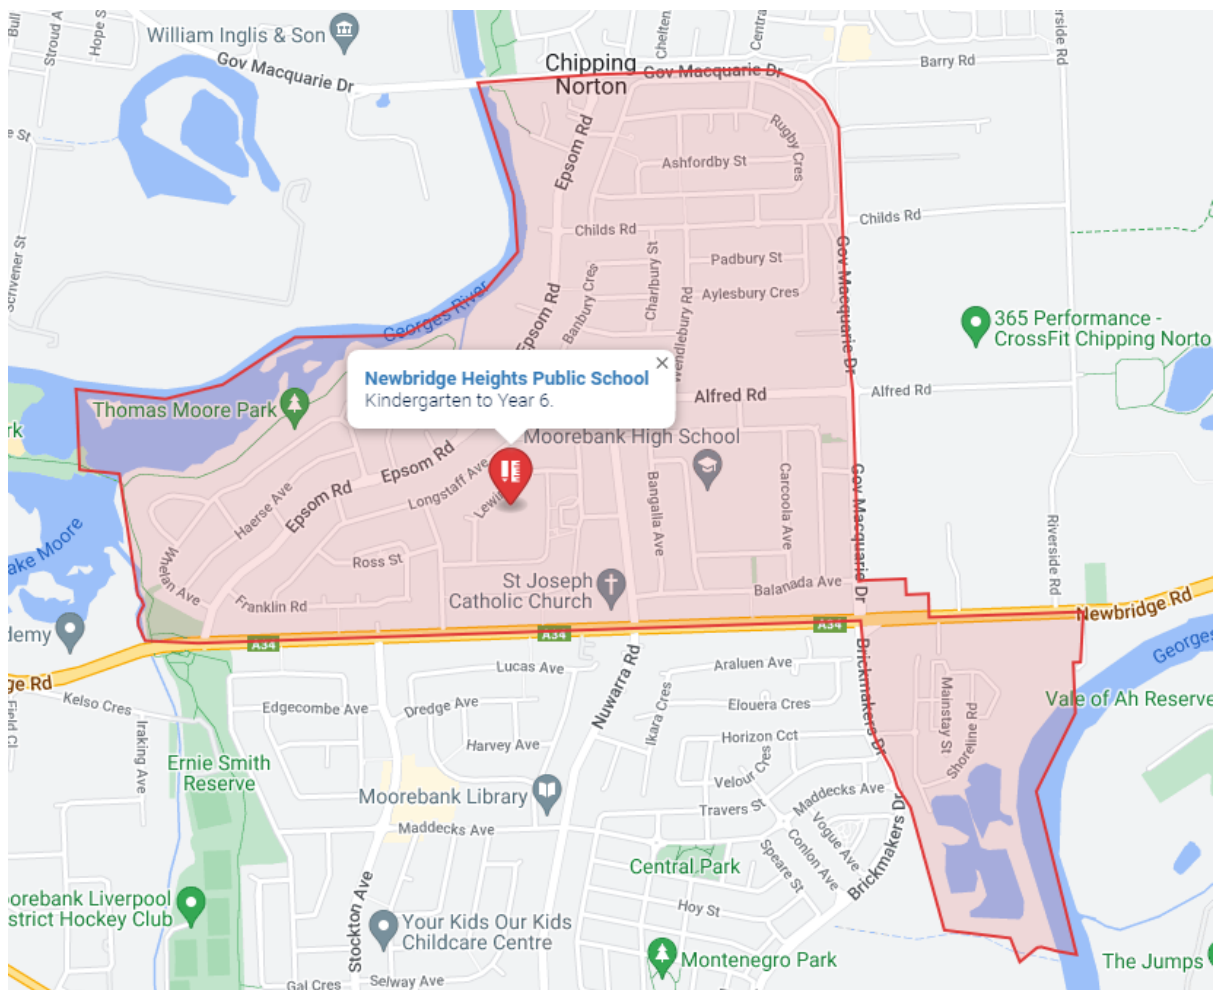

A waiting list maybe created for non-local students who are not offered enrolment. The waiting list will be determined by the panel and will remain valid for 12 months. Parents will be notified of their position on the waiting list.

Appeals

The purpose of an appeal is to determine whether the stated criteria have been applied equitably. Appeals against a decision of the Enrolment Panel should be made in writing to the Principal. The Principal will consider the appeal and make a determination. The parent will be advised of the outcome in writing. If the matter is not resolved at the school level, the final level of appeal is with the Director, Educational Leadership.
